TECHNICAL TACTICAL	<p>Strengths: Rian is very good at covering his fellow defenders when they have been played past. He recognises danger well and intercepts a lot.</p>
	<p>Development Goals: We would like to see Rian improve on his defensive run angles. Sometimes he runs to the ball in wider areas where an angled run would be better. We will coach this though.</p>

PSYCHOLOGICAL	<p>Strengths: Rian seems to be growing in confidence both with his football and within the group. His resilience is also improving all the time.</p>
	<p>Development Goals: Sometimes, Rian can show a lack of confidence when being pressed in defensive areas. He is more than capable of dealing with most situations, just need him to believe he can.</p>

PHYSICAL	<p>Strengths: Rian's biggest strength is his speed. A very fast player and always gives us an advantage in our defensive third. He seems to be gaining confidence in the tackle also.</p>
	<p>Development Goals: A strong corner for Rian. We would like him to work on his ball striking going forwards.</p>

SOCIAL	<p>Strengths: A very polite and well mannered player. A pleasure to coach. He is starting to ask questions if he is unsure which is a great sign of development in this corner.</p>
	<p>Development Goals: We'd like Rian to be more vocal on the pitch. This will come as he develops in confidence.</p>
